# CATERING FOR MEETINGS

We believe that a cup of coffee together promotes cooperation, which is why we offer coffee breaks and lunch during training. We provide high quality and the proper setting for meetings. The following suggestions are the beginning of discussions about what can accompany training. We are open to suggestions and modifications.

## coffee break

We offer coffee breaks in three sizes: **S, M, and L, with two serving options.**

Snacks are served in the room, while unlimited access to water and coffee machines are located in front of the training rooms. We invite you for an aromatic coffee!

Dinner is a **two-course meal served by our staff.** The organizer can choose dishes from the previously presented menu each time.

We typically offer meat and vegetarian options. We always try to meet the requirements related to dietary exclusions.
